

Boronia Star

self contained

Electronic controller

Front breathing

Removable refrigeration cassette

LED lighting

10 Amp power

The Australian made Boronia Star self-contained fridges have been designed for the testing demands of busy venues to operate efficiently, to maintain temperature as products are taken out, stock replenished and doors continually opened and closed. The units are available in one to four door counters, manufactured in stainless steel or hard wearing black coated steel. Glass door units with LED lighting ensure an attractive display, while adjustable shelves enable different sized bottles and cans to be stored efficiently.

Advantages

- Designed for 43°C ambient environment
- Adjustable electronic controller with digital temperature display
- Forced air refrigeration system contained in a removable cassette for easy service and maintenance
- Front breathing ventilation
- Optimised ducted air flow
- Auto defrost utilising waste heat recovery vaporiser
- Two adjustable plastic coated shelves per door
- Heavy duty swivel and brake castors
- On/off switch for internal lights (glass door only)
- Fitted with triple glazed self closing doors with high efficiency long life LED strip lighting
- Optional solid or double glazed heated doors
- Face mounted hinges (plinth mount ready)
