

GE

Economy Compact Glasswasher W 440mm x D 515mm x H 780mm

Washtech's GE is a compact glasswasher ideal for the tightest of locations. The XG features Washtech Hybrid Controls which combine IP65 stainless switches, tried-and-tested switchgear, with a customisable electronic timer.

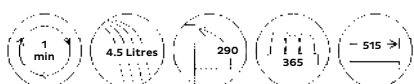

Since 1981 Washtech dishwashers and glasswashers have been constructed from heavy-duty stainless steel, and are engineered specifically for Australian conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your Washtech glasswasher will not let you down.

Standard Features

- Rapid 1 minute glasswashing wash cycle
- Washes up to 540 glasses per hour
- Hot water consumption of 4.5 litres per cycle
- Washtech Hybrid Controls
- Self-cleaning cycle
- Selectable cold rinse
- Easy installation, supplied complete with:
 - Dual water supply hoses (hot & cold)
 - Detergent injector with injector line
 - 15 amp plugset
 - No commissioning required
- Heavy-duty stainless steel construction
- Lower wash/rinse arm with precision moulded jets and an upper rinse jet
- Watermark approved backflow prevention
- Comprehensive 5-2-1 Warranty

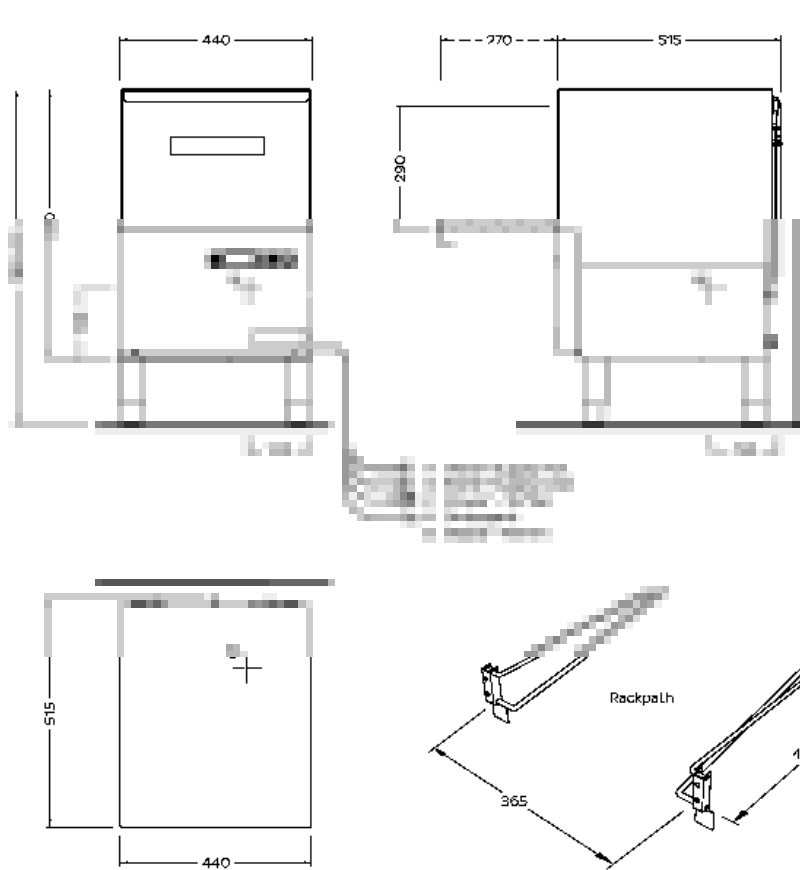

Includes:

- 1 x 365mm glass rack (K0401)
