

Beverage Blender

Brand: Vitamix

Model Number: The Quiet One

Dimensions: 216mm (W) x 272mm (D) x 457mm (H)

Included Container: 1.4L Advance Container

Description

Beverage blender combining market leading performance, ease of use and unparalleled sound reduction. Featuring 6 simple touch, blend and leave program buttons with 34 optimised settings producing consistent, high quality drinks every time. The Quiet One's powerful 3-peak output HP motor ensures reduced noise, improved reliability and minimised downtime. When combined with The Quiet One's patented sound enclosure, the result is low enough sound output for front-of-house locations. Boasting Vitamix's unique Advance container, that is engineered for speed and efficiency, multiple beverage servings can be made quickly and effortlessly at once. The starter kit includes The Quiet One blender with 2.0 L capacity (with 1.4 L measurement markings) high-impact clear, Advance container, Advance blade assembly, lid and removable compact enclosure. The Quiet One is covered by a 3 year back to base warranty (1 year parts and labour and 2 years parts only) on the motor base. Containers and blades are subject to a 12 month manufacturer's defect warranty. Best suited to: Restaurants, Clubs, Pubs, Bars, Hospitality Venues, Juice Bars.
